

Annual Small and Medium-Sized Business Competition

Oskar Patzelt Foundation

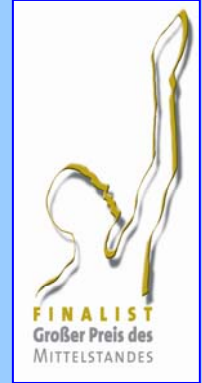

The annual competition for the [Small and Medium-Sized Enterprise Award](#) given by the Oskar-Patzelt-Foundation has become the most important German contest among small and medium-sized businesses since the first prize was awarded in 1995.

In 2009, **3366 German companies** and businesspeople were *nominated* for this prestigious award.

For the second time **W2E Wind to Energy GmbH** was one of **1028 companies** to achieve the **2nd Stage** of the 2009 competition, awarded at the Fifteenth Annual Oskar Patzelt Foundation Award Ceremony.

We are proud to announce that **W2E Wind to Energy GmbH** was decorated with the *Finalist Award 2009* at this year's gala in Magdeburg.

The jury awarded our company for its business development, for creating new jobs and for its **innovative strength**. In addition, **W2E** was prised for its superior customer relations and excellent marketing.
